

BUFFALO TRACE

DISTILLERY

August 12, 2015

Dear Friend of Buffalo Trace,

Many thanks for your purchase of William Larue Weller, our uncut and unfiltered Kentucky Straight Bourbon Whiskey. The William Larue Weller release from last year was honored with a Gold Medal at the 2015 San Francisco World Spirits Competition.

We hope you and your customers are very pleased with the wheated bourbon contained in these bottles. In distilling and aging this product, we have attempted to make some of the finest American whiskey ever made.

Our William Larue Weller bourbon has been produced in response to consumer requests for more well-aged and barrel strength whiskey. We filled these particular barrels at 114 proof in the year 2003, but after twelve years of aging the whiskey is now 134.6 proof.

The glass bottle chosen for William Larue Weller is designed to showcase the whiskey's dark and rich color. The back label provides a full product description. Every case has been hand bottled and labeled to ensure the highest quality finish. The tissue paper has been added to protect the finished package.

On the reverse side of this letter you'll see a fact sheet about the barrels selected for this particular release. Hopefully you and your customers will find the intricate details of these particular barrels interesting.

In closing, thank you again for your purchase of this very limited supply of William Larue Weller. If we at Buffalo Trace Distillery can be of any further assistance please do not hesitate to make contact at the following numbers or e-mail addresses:
